Datasets				
Name	Description	Docs	Size	Access
Core Places Footprint	A subset of columns in the Geometry product, and a derived column for area of the footprint of the point-of-interest.		208 MB	<div>Web</div> <div>CLI</div>
Core Places (US Only)	Base information about a point of interest (POI) such as location name, address and brand association for top ~5,500 national brands.		517 MB	<div>Web</div> <div>CLI</div>
Geometry	Includes the polygon of the POI and spatial hierarchy metadata defining whether the polygon is contained within another POI. Available for ~6.1MM POI in the USA and Canada		11 GB	Contact Us
Monthly Places Patterns (aka "Patterns") Jan 2018 - Apr 2020	Place foot-traffic and demographic aggregations that answer: how often people visit, where they came from, where else they go, and more. Available for ~3.6MM POI in the USA. Sorry the directory structure is confusing! Please see https://docs.safegraph.com/docs/places-data-delivery#section-historical-patterns-delivery		58.5 GB	<div>Web</div> <div>CLI</div>
Monthly Places Patterns (aka "Patterns") May 2020 - Present	Place foot-traffic and demographic aggregations that answer: how often people visit, where they came from, where else they go, and more. Available for ~3.6MM POI in the USA.		1.7 GB	<div>Web</div> <div>CLI</div>

Name	Description	Docs	Size	Access
Open Census Data	All demographics and socio-economic variables tracked by the US Census and American Community Survey, organized as individual columns, for every census block group in the USA. Also, geospatial boundaries for every census block group in the USA		2.15 GB	
Social Distancing Metrics v2.1 (formerly Physical Distancing Metrics)	Aggregated daily views of USA foot-traffic summarizing movement between census block groups.		53.3 GB	<div>Web</div> <div>CLI</div>
Transaction Data (Facteus)	Spending information for debit cards including total transaction value, number of cards, and number of transactions at merchants across the USA.		46.6 GB	<div>Web</div> <div>CLI</div>
Weekly Places Patterns v2 (until 2020-06-15)	See Monthly Places Patterns, but aggregated and delivered weekly. USA only.		90.1 GB	<div>Web</div> <div>CLI</div>
Weekly Places Patterns (2020-06-24 onwards)	See Monthly Places Patterns, but aggregated and delivered weekly. USA only. For weeks that ended on or after 2020-06-24		1.1 GB	<div>Web</div> <div>CLI</div>
